

Clarendon House

OPEN JUNE TO OCTOBER.

◀ACCOMMODATION FOR 200 GUESTS▶

TERMS.

Board,	-	-	-	\$8.00, \$10.00 and \$12.00 per week.
Children,	-	-	-	5.00 " 6.00 "
Servants,	-	-	-	5.00 "
Board,	-	-	-	2.00 per day.

IN CONNECTION with the House is a Farm of 170 Acres, from which Vegetables and Milk are procured daily, and set upon the table fresh.

THE HOTEL ACCOMMODATIONS ARE AS FOLLOWS:—Main Hotel, Clarendon House, accommodating 100 guests, and three (3) Cottages, accommodating 100 guests—all within speaking distance of each other. Families and single persons who desire the quietness of a private house, can be accommodated with rooms in one of the Cottages. In front of the Hotel and Cottages is a fine Park filled shade trees—the growth of forty years; in the centre, a beautiful pond and fountain throwing a shaft of water thirty feet.

BUSINESS MEN.—As a place for the business man to recruit, and for families to spend the Summer months, no place equals it in the State; nothing here unpleasant—pure air, beautiful scenery, pleasant drives and walks, and, above all, a Spring of Water which has no superior.

THE CHILDREN.—There is not a finer place in the United States for children; there is not a place here where a child can get injured—no railroads, factories or shops of any kind—a perfect play ground.

AMUSEMENTS.—Billiards, Bowling Alley, Croquet Grounds, &c.

TELEGRAPH.—An office of the Western Union Telegraph Company in the house.

LIVERY.—A good Livery connected with the Hotel; also accommodations for private carriages. Families or parties will be taken to drive, or on excursions, at 50 to 75 cents each person; children half fare. At this low charge, an opportunity is given guests to visit all places of interest, and enjoy a healthful recreation at the same time.

ANALYSIS OF THE WATER.—By PROF. A. A. HAYES, STATE ASSAYER OF MASSACHUSETTS.—One gallon, or 128 inches of water contains—

Carbonic Acid Gas,	-	-	46.16 cubic inches.	Muriate of Lime,	}	-	-	2.74
Nitrogen Gas,	-	-	9.61 " "	Sulphate of Soda,				
Carbonate of Lime,	-	-	3.02 grains.	Sulphate of Magnesia,				

100 cubic inches of the gas which was evolved from the water consists of—

Carbonic Acid Gas,	-	-	-	-	-	0.05 cubic inches.
Oxygen Gas,	-	-	-	-	-	1.50 " "
Nitrogen Gas,	-	-	-	-	-	98.45 " "

DR. HAYES says:—"It is a remarkable water, containing nitrogen dissolved.

CUTANEOUS DISEASES.—For all Cutaneous Diseases, Impurities of the Blood, Liver Complaint, Dyspepsia, Urinary Difficulties, the Restoration of a Deficient Appetite, and for General Debility, these waters are unequalled. As a choice Table Water, helping digestion, and sharpening the appetite, these waters will be found invaluable.

WARM AND COLD BATHS.—The water is brought through pipes to the house for bathing purposes. The water is put up in barrels, also in smaller quantities, if desired. It will keep for any length of time, retaining all its virtues; it has no sediment, is delicious to drink, health giving, and is a fine water for bathing.

SCENERY.—The scenery about the Springs is of peculiar beauty, even for Vermont, while the splendid roads afford excellent opportunity for drives and views of this delightful region.

VISITORS.—From fifteen to twenty-five hundred persons annually visit them in quest of health or pleasure, and while the invalid is restored to health, through the agency of the medicinal properties contained in the water, and the business man's mind rendered elastic by having removed from it an undue weight of care and anxiety the pleasure seeker can find a full share of enjoyment in the beautiful scenery, the pleasant drives, the numerous brooks for trout fishing, the interesting surroundings and excellent Hotels afforded at Clarendon Springs.

CORRESPONDENCE.—Persons desiring to apply for rooms by letter or telegram, will please address the proprietors,

B. MURRAY & SONS,

CLARENDON SPRINGS, RUTLAND CO., VT.

SELECTMEN'S REPORT - 1975

We started the year out by purchasing a new town truck after an extensive study of prices from various garages. The old town truck was sold and we credited the General Fund with the proceeds. At the same time we purchased a 1971 Chevrolet pickup in order to save expenses on the larger trucks. It was the feeling of the Selectmen that it wasn't a good idea to use the large trucks for running errands - checking roads, cutting brush, etc.

Several meetings were held with the State Aeronautical Board to discuss land development around the airport. A formal study is being made of the airport area by two New Hampshire firms for the State.

The insurances on all real estate and personal property owned by the Town was renewed and corrected according to present values.

The Selectmen reviewed several unsanitary sewer and health situation, and worked to try and correct them.

A new committee was formed for the care of the Cemeteries in town, and our congratulations for a job well done.

Several visits were made to the Town Hall in Clarendon Flats, and the building was found to be in bad need of repairs. The items in the attic were sold and we credited the General Fund with the proceeds.

The Federal flood insurance program was reviewed and adopted for the town. This program makes flood insurance available to building owners in certain areas that flood occasionally and places restrictions on added buildings in those areas. Some time was spent studying the possibility of a joint dump for Clarendon and Wallingford.

The reconstruction of bridge #26 on highway #23 was completed.

Interim zoning was adopted in July. This allows us to have a plan for the town until people can have a chance to vote on regular zoning.

Reconstruction of a stretch of Highway #3, which we considered one of the more hazardous places for School busses, was begun. During the summer of 1976 we would like to backtop and finish the project.

The new machine shed for town equipment has been completed. The building is 50 feet by 35 feet and will house the town equipment. It is completely enclosed and will be locked in order to stop vandalism and theft. Also, the equipment should be kept in out of the weather when it is not in use.

We hold meetings on the second and fourth Mondays of each month at 7:30 P.M. These meetings are usually held at the Town Clerk's office. We would like to encourage members of the community to attend these meetings.

Clarendon Board of Selectmen

CEMETERY COMMISSION REPORT

Pratt-Smith Cemetery	Been power mowed all summer
Spafford Cemetery	Been power mowed all summer
Marsh Cemetery	Been power mowed all summer
Chippenhook Cemetery	New part and outside fence next to the road power mowed all summer.
	Old part mowed 1/2 way back from road.
	Rest scythe mowed--Brush and trees cut.
	Filled in sunken spots preparing for complete mowing in coming season.
	Many stones need repair.
Flats Cemetery	Repaired and replaced vault door.
	Cut out old, dead trees and brush.
	Prepared it for summer mowing.
	Stones need repair.

We have tried to get these five major cemeteries in condition to be power mowed and kept mowed for the growing season.

There are several private cemeteries in town that will need to be cleaned, fenced, and mowed.

I would like to thank each one who has cooperated with the new Cemetery Commission by giving time and labor to improve the conditions of our town cemetery plots.

SECOND TOWN CONSTABLE YEAR END REPORT

I investigated 17 dog complaints during the period from April 1, 1975 to January 31, 1976. I had to take one dog to the Humane Society that didn't have a tag or collar on it. I also took a dog to Rutland where the owner lives.

From my investigations, the town had to pay out \$93.00 for dog damages.

GILBERT BAKER

RUTH E. HEBERT

CLARENDON FIRE ASSOCIATION

Thanks everyone.

Because of the fine attitude of the Firemen, Ladies Auxiliary and Townspeople we achieved many goals in 1975 which were but a dream only a few years ago.

We now have our new pumper; a low bann radio system, and a new fire station in Chippenhook. The pumper cost was \$27,094.20 of which \$15,000.00 was borrowed through an FHA loan. The first payment of \$1,452.00 is due in May. The radio system consists of radios in three of our four trucks and a base unit, their total cost was \$4,094.73. This money was raised by the Auxiliary and the radios are paid for in full. Our Chippenhook Fire Station is a two bay station built near Mr. Mike McClellans farm at a cost of approximately \$4,500.00. It was because of a great deal of generosity from a great many people that these goals have been accomplished.

Our calls in 1975 were as follows: (40 calls)

Shed 2	Accident 3	Car 5
Barn 1	Trailer 4	Wood Chipper 1
Apartment 1	Furnace 1	Chimney 4
Restaurant 2	House 2	Grass 13
Gas leak 1		

Of these forty calls, three were mutual aid, two for oxygen, one false alarm.

There were a total of 97 truck hours and 980 man hours.

Our training this year has consisted of our own department training sessions, Rutland County Regional School, Essex Regional School, and Norwich Fire Academy.

Our money raising activities have gone well this year. Our major projects have been our Bingo, which is held weekly at the Clarendon Elementary School, and our annual auction which is held in June. If anyone has any items to give away at any time please keep us in mind. If you are unable to store these items until our annual pick-up, which starts in May, give anyone of the Firemen a call and it will be picked up and stored by the Fire Department.

We participated in three parades:

Loyalty Day in Rutland
Memorial Day in Wallinford
Annual Fire Convention in Cambridge

In closing I would like to extend to our townspeople an invitation to attend our Annual Meeting which is held the first Tuesday in October each year. I feel your attendance and participation would be greatly appreciated by the Fire Dept. and Auxiliary, and at the same time give everyone a great deal of insight as to the operation and an appreciation of the hard work put into the department by the men and women of our town.

Respectfully submitted,

ALAN G. RIDLON, Chief

PHILIP PINKOWSKI, SR., President

CLARENDON VOL. FIRE DEPARTMENT

Fiscal Year — 10-1-74 to 9-30-75

Receipts:	Anticipated 1975	Actual 1975	Anticipated 1976
Bingo	\$ 4,200.00	\$ 6,194.43	\$ 5,500.00
Town Clarendon	2,500.00	2,500.00*	2,500.00
Revenue Sharing	- 0 -	2,500.00	- 0 -
Auction	2,100.00	2,081.32	2,100.00
Auxiliary	1,800.00	- 0 -	2,000.00
Air Show	200.00	- 0 -	300.00
Raffles, Donations, etc.	1,000.00	1,420.63	1,200.00
FHA Loan	- 0 -	15,000.00	- 0 -
	<u>\$11,800.00</u>	<u>\$29,696.38</u>	<u>\$13,600.00</u>

Note:

* Our receipt of \$2,500.00 from the town was voted on in March 1974 and was not received until 12-13-74. Our fiscal year is 10-1 to 9-30, therefore it shows in our 1975 income rather than in 1974.

* Our receipt of \$15,000.00 on FHA loan is not anticipated each year. This is the reason our total receipts are much higher than anticipated.

The Ladies Auxiliary donated the money for radios. This was not received until 9-30-75. The Auxiliary also handled the Air Show.

Disbursements:	Anticipated 1975	Actual 1975	Anticipated 1976
Electricity	\$ 225.00	\$ 380.00	\$ 400.00
Heating fuel	650.00	802.30	900.00
Insurance	1,300.00	1,048.00	1,200.00
Phone (Red System)	275.00	274.13	300.00
Extinguisher Recharges	250.00	171.20	200.00
Small Equipment (Hose, nozzles etc.)	2,000.00	793.15	2,000.00
Truck Maintenance	100.00	67.75	150.00
Gen. & Supplies	1,000.00	530.33	1,000.00
Truck Fund	5,000.00	27,094.20*	3,000.00
Building Fund	1,000.00	3,854.00	3,000.00
Int. & Loan Payment	- 0 -	147.95	1,452.00
	<u>\$11,800.00</u>	<u>\$35,162.83</u>	<u>\$13,602.00</u>

* Our actual disbursements were higher than anticipated because the new truck was bought and paid for in the amount of \$27,094.20.

RUTLAND AREA VISITING NURSE ASSOC., INC.

1975 ANNUAL REPORT

It is my pleasure as Director of the Rutland Area Visiting Nurse Association, Inc. to present our Annual Report for the fiscal year ending December 1975.

The health care demands continue to grow and our agency is always striving to provide the best possible care to people in their homes. Health care cost has increased to a startling figure but our service is still one of the least expensive. It appears to be more satisfactory to the patient and family if the care can be provided at home. It has also proved to be cheaper to provide. Home Health services are now being recognized as a very important part of the Total Health care.

Our program includes Skilled Nursing Care, Physical Therapy, Speech Therapy, Occupational Therapy and Homemaker—Home Health Aide Service. We provide preventive clinics to senior citizens and coordinate with state Public Health on all Well Child Conference Clinics. We also contract with several schools in the County to provide school nursing. Pre-natal classes are conducted on a regular basis for expectant parents with follow-up care in the home for the newborn and mother when the need arises.

We continue to work closely with other community resources so as to bring continuity of care to all patients that we serve.

Starting in January 1976, we will have a new service available for our area population. We have started a dialysis team which will provide a dialysis helper to an individual that needs this service in his home. This program was created because of requests of need.

Total direct services into the home that have been provided to your town are as follows:

Skilled Nursing Care	187 visits
Physical Therapy	26 visits
Speech Therapy	4 visits
Occupational Therapy	0 visits
Homemaker—Home Health Aide	121 visits

The coordinating program with the hospital on discharge planning continues to grow. We are also trying to initiate a better coordinating system with the Extended Care Facilities in the area. This enables us to provide more continuity when patients are ready to go home. This seems to be well under way.

The evaluation visits to homes to determine need continues to grow with the physicians utilizing our staff to check problems of patients when they cannot make a home visit.

We are always happy to provide nursing staff for any event that requires skilled nursing for your town. Please feel free to call on us for your needs; this is what we are here for.

We are looking forward to another busy year continuing to serve the people of your town and striving for the best quality of health care.

Respectfully submitted,
EVELYN MORGAN, R.N.
Director

RUTLAND OPPORTUNITY COUNCIL

The Rutland Opportunity Council meets the needs of low-income and elderly people. The Council provides services and programs for people who need help in solving their problems.

During 1975 R.O. C. worked with a total of 52 Clarendon families, providing an average of 80 direct services each quarter for these families. These services meet needs as transportation, help with forms, social service information, counselling and personal needs. The Council assisted 11 Clarendon families with their fuel and winterization needs (\$517).

We look forward to continuing our working relationship with the residents of Clarendon. We invite suggestions from the citizens of Clarendon; our worker in the area, Marge Wells, is always ready to work on any family or community needs you might suggest.

RUTLAND MENTAL HEALTH SERVICE - 1975

CASELOAD

Male	28
Female	16
Total	44

Outpatient and Aftercare 28 people served, 509 hours given.

Inpatient and Day Hospital 7 people served, 512 hours given.

III REPORT OF SUPERINTENDENT OF SCHOOLS

On September 8, Clarendon's students in grades 7—12 joined those from Shrewsbury and Wallingford to enter their new Mill River Union High School. The opening of this new school marks the beginning of a new era for education in Clarendon. For the first time ever the town, as part of the union, will have its own high school, giving people the opportunity to have a voice in its operation and in determining the kind of educational program available to their youngsters. As part of the new Rutland South Supervisory Union, consisting of the same three towns, there is also the new opportunity to develop a coordinated 1—12 instructional program.

The elementary program, for grades 1 through 6 and including the pre-school program, is now being housed entirely within the new elementary school building. Improvements which have made this possible include - providing additional storage space and room dividers for the open classroom area; relocating the principal's office and the remedial reading area; and constructing a second set of stairs to the second floor classroom making it available for instructional purposes. The two room school building is being rented to the Superintendent for office space which eliminates the expense of operating the building and provides some income from rent.

Principal Thomas Lewis and his entire staff should be commended for the outstanding work which they are doing. Clarendon has an instructional program which they can be truly proud of and the credit belongs to the staff and the School Board for their efforts. The taxpayers should also be commended for their continued support of the elementary school program and in particular to the support which they have given to approving and building the new union high school. Clarendon is also fortunate to have an active parent's club which helps the school with numerous projects and provides a much needed link between the school and the home.

Respectfully submitted,
HENRY J. BURNHAM
Superintendent

IV ALDACE W. NEWTON TRUST FUND

Aldace Walker Newton, a distinguished citizen of the Town of Clarendon, through his will, set up a trust fund to assist the town of Clarendon in constructing and maintaining public schools. The Trustees of this fund are George H. Ridlon, Richard H. Pratt and Laura A. Johnson.

The original amount of this fund was \$20,404.63, plus \$300.00 in dividends earned through May 14, 1972. From July 1, 1974 through June 30, 1975 interest in the amount of \$1,355.73 was realized from this fund. This sum has been turned over to the Treasurer of the Town of Clarendon and is included in the Table II, Receipts, of the financial report of the School Directors.

CLARENDON TOWN SCHOOL DISTRICT
